

Dear Sir or Madam,

I hope this finds you well.

My name is Seth Heckaman and I am the Director of Dealer Development here at Classic Metal Roofing Systems, Inc., Piqua, OH. **I work closely with Michael Gonet of Classic Metal Roofs, LLC** and know you are in good hands. There are few contractors in the country with his level of experience and expertise.

At Classic Metal Roofing, we strive to provide the strongest warranty in the industry. We define clear metrics for how your aluminum roof should perform and stand behind it 100%--never prorating its value and covering both materials and labor if a warranted repair is ever required.

We understand though that the needs and desires of each homeowner are different so you have the opportunity to choose the terms of your warranty. Your options are:

- A Limited Lifetime, 30-year fade and chalk warranty for you the original owner and subsequent owners receive a 40-year warranty from the date of installation. The warranty is transferrable unlimited times within 40 years at no cost.
- A Limited Lifetime, 30-year fade and chalk warranty for you the original owner and the subsequent owner receives a 50-year warranty from the date of installation. The warranty is only transferrable one time.

Thank you for considering our products for your home. We would be honored to have the opportunity to serve you. If you have additional questions concerning the warranty please ask Michael Gonet at 978-562-7770 or feel free to give me a call at 800-543-8938.

Warmest Regards,

Seth Heckman

RUSTIC SHINGLE WARRANTY

CLASSIC
METAL ROOFING SYSTEMS

A Division of Isaiah Industries

Rustic Shingle

Lifetime / 50-Year Transferable Limited Warranty

Rustic Shingle aluminum roofing and accessories (the "Products") are manufactured by Classic Metal Roofing Systems in accordance with high standards of engineering skills, and are quality controlled through every stage of production.

This warranty remains in effect for as long as the owner(s) continues to live and own the property. In the event that there is more than one original property owner, this lifetime limited warranty (this "Warranty") will remain in effect as long as one of the original property owners is living and owns an interest in the property to which the Products were applied. This Warranty is transferable by the original property owner(s) on to subsequent owner(s) of the property. In the event of transfer of this Warranty, the warranty period extends 50 years from the Products' installation.

If at the time the Products are applied to the property, the property is owned by an organization (e.g., a corporation, unincorporated association, church, government or public entity) the warranty period extends 50 years from the Products' installation.

Warranty Coverage

Subject to the exclusions and limitations set forth in this Warranty, Classic Metal Roofing Systems warrants that the Products, including the Kynar 500® or Hylar 5000® finish that has been applied in the course of manufacturing, are free from defects in material and workmanship. Specifically, Classic Metal Roofing Systems warrants that the Products will not leak due to hail perforation, burn or support combustion, rust, split, crack or lose impact resistance with age. The finish on the Products will not chip, peel, flake or blister under conditions of ordinary wear. The Products will not fade or change color in excess of five (5) Hunter E Units as measured using the procedure of ASTM D-2244-16 (comparing an unexposed panel to the exposed panel after removal of dirt and chalk) for a period of thirty (30) years after installation. The Products will not chalk in excess of ASTM D-4214-07 (2015) rating eight (8) for a period of thirty (30) years after installation. With proper installation, the Products will not detach from the property or become deformed due to wind velocities up to 120 miles per hour. In the event of any breach of the above Warranty and subject to the exclusions and limitations set forth below, Classic Metal Roofing Systems, upon notification and validation of the complaint, will, solely at its option, either repair, replace, or refinish (providing both materials and labor) the Products found to be defective, without charge to the Original Property Owner(s), or refund the purchase price of the originally installed Products found to be defective (including both materials and labor). Classic Metal Roofing Systems' obligations under this Warranty will, in no event, exceed the purchase price of the originally installed Products found to be defective (including both materials and associated labor). Any costs and expenses beyond Classic Metal Roofing Systems' liability hereunder are the responsibility of the Original Property Owner(s).

In the event of repair, replacement or refinishing pursuant to this Warranty, the Warranty applicable to the replacement material or to the repaired or refinished Products will extend only for the time remaining under the original Warranty. Due to normal weathering (defined below), Products repaired, replaced or refinished during the Warranty period may differ in gloss and color from Products that were originally installed, if any such Products remain on the property.

Coverage Exclusions and Limitations

1. This Warranty does not cover damage of any kind resulting from faulty or improper installation; accidental damage; settlement; structural shrinkage or distortion of the structure; hail (except in the case of leakage due to perforation of the Products, which is covered by this Warranty); fire; lightning; hurricane, tornado or windstorm (in excess of 120mph); vandalism; earthquake or other acts of God; exposure to harmful chemicals; fumes or vapors; misuse; abuse; dirt or mildew accumulation; damage from cascading ice and snow; impact of foreign objects; or other causes beyond the control of Classic Metal Roofing Systems. THIS WARRANTY WILL NOT APPLY TO PRODUCTS THAT HAVE BEEN PAINTED OR WHOSE SURFACE HAS BEEN ALTERED IN ANY WAY WITHOUT WRITTEN AUTHORIZATION FROM CLASSIC METAL ROOFING SYSTEMS.

2. Classic Metal Roofing Systems reserves the right to discontinue or change the Products' design and color. If, for any reason, Products of the type originally installed are no longer available from Classic Metal Roofing Systems at the time a Warranty claim is made, and if the Warranty period is still in effect, Classic Metal Roofing Systems, in fulfillment of its Warranty obligations hereunder, has the right to substitute another product determined by Classic Metal Roofing Systems in its sole discretion to be of comparable quality and price.

3. Classic Metal Roofing Systems is giving you an express limited lifetime warranty under the provisions of the Magnuson-Moss Federal Warranty Act;

Classic Metal Roofing Systems cannot and will not be liable to you for a breach of any written or oral express warranties, such as those, if any, given to you by dealers, contractors, applicators or distributors of the Products.

ANY IMPLIED WARRANTIES IMPOSED BY LAW, SUCH AS THE IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE ARE LIMITED IN TIME TO THE DURATION OF THIS EXPRESS WARRANTY. CLASSIC METAL ROOFING SYSTEMS WILL NOT BE LIABLE FOR ANY CONSEQUENTIAL OR INCIDENTAL DAMAGES FOR BREACH OF ANY EXPRESS, WRITTEN, ORAL OR IMPLIED WARRANTY ON THE PRODUCTS. YOUR EXCLUSIVE REMEDY IS SET FORTH IN THIS WARRANTY. SOME STATES DO NOT ALLOW THE EXCLUSION OR LIMITATION OF INCIDENTAL OR CONSEQUENTIAL DAMAGES, AND SOME STATES DO NOT ALLOW LIMITATIONS ON HOW LONG AN IMPLIED WARRANTY LASTS, SO THE ABOVE LIMITATION OR EXCLUSION MAY NOT APPLY TO YOU.

This Warranty gives you specific legal rights. You might also have other rights, which vary from state to state. This Warranty covers only Rustic Shingle aluminum roofing and accessories. Classic Metal Roofing Systems reserves the right to withdraw or modify this Warranty without notice at any time; however, all warranties registered at the time of the Products' installation remain in effect as written until their expiration.

This Warranty is valid only after the warranty registration is completed within 30 days after the installation has been completed. Failure to so notify Classic Metal Roofing Systems of the registration relieves Classic Metal Roofing Systems of all obligations hereunder
